NEIGHBORHOOD PARKS

Discussions regarding the flood damage along McLaughlin Run Road took place.

Municipal Playground – Remains closed. Safety Surface Turf removed due to the flood water. Should be ready in a month or two.

Marmion Field – The fence needs replaced, but the baseball and soccer fields are playable.

Morton Complex – The landslides on the field were fixed.

Wiltshire Playground will be closed the week of August 27th for resurfacing and the splash pad needs mechanical repairs. Also the creek banks eroded and are being repaired.

The slide at the Miracle Field is still closed and being repaired. It has been recalled by the manufacturer.

Johnston and Brynwick Tennis Courts and the hockey area are being resurfaced.
NEW BUSINESS

McLaughlin Run Activity Center is closed for renovations September – December. Renovations include, but not limited to, bigger front windows, new floor, fresh paint, ADA bathroom and convert sunporch to covered deck. The bridge to batting cages is still down. Repairs are in the process of being made.

Tennis Courts and Tennis Hut – Courts had a lot of mud from the July flood. The fence is also in need of repairs. The tennis courts had to be power washed, which ruined the surface. Resurfacing courts 1 and 2 are expected in September.

Gilfillan – Lots of debris on the trail from the flood were removed.

The parking lot at the Wetlands is closed due to upgrades to the parking lot.

Brick pillars will be installed at the The Playground Pavilion at Boyce Mayview Park, as well as electrical outlets.

Restrooms at the Boyce Mayview Pavilion are still being worked on and are expected to be finished by spring 2019.

The Perimeter Trail section from the Wetlands Trail to the intersection of Morton Road and Rostrom Drive is 95% complete. The next phase is under engineering design.

ADJOURNMENT

The meeting was adjourned at approximately 8:20 pm.
