DISTRICT REGULATIONS**

§ 130.7. General regulations.

These general regulations apply to all PRINCIPAL and ACCESSORY USES however authorized.

130.7.1. Unless a USE is specifically an AUTHORIZED USE in a ZONING DISTRICT, such USE is not permitted in that ZONING DISTRICT.

130.7.2. Except where specifically authorized by this chapter, MIXED USES on LOTS or in STRUCTURES are not permitted.

130.7.3. In the case of AUTHORIZED MIXED USES for which uniformly applicable requirements do not exist, the regulations for each AUTHORIZED USE apply to the portion of the LOT or STRUCTURE so used.

130.7.4. An AUTHORIZED USE may be stated as an activity or, when the activity is inherent in the STRUCTURE, the USE may be stated by reference to the STRUCTURE.

130.7.5. An authorized PRINCIPAL USE, approved as a CONDITIONAL USE, USE BY SPECIAL EXCEPTION or PLANNED DEVELOPMENT shall include the right to any ACCESSORY USE which is a PERMITTED USE BY RIGHT in the ZONING DISTRICT.

130.7.9.1. Where the LOT is large enough to be subdivided into two (2) or more LOTS, each within a single ZONING DISTRICT, no ZONING APPROVAL will be given for any AUTHORIZED USE which would utilize any

portion of the LOT other than that portion of the LOT in which the PRINCIPAL USE is located. Further development will require SUBDIVISION.

130.7.9.2. Where a LOT cannot be subdivided in compliance with this chapter and Chapter 114, the AUTHORIZED USE permitted on the LOT is limited to those AUTHORIZED USES permitted in the ZONING DISTRICT in which the largest part of the LOT is located, and the smaller part of the LOT located in another ZONING DISTRICT will be subject to the Zoning Ordinance provisions, where the largest portion of the LOT is located. If this section creates an undue hardship, the ZONING HEARING BOARD has jurisdiction to grant such relief as the ZONING HEARING BOARD deems necessary.

130.7.10. No ZONING APPROVAL for a new or changed PRINCIPAL USE of a LOT will be issued unless the LOT meets the SUBDIVISION and LAND DEVELOPMENT requirements for utilities under Article V, §114.28. of this Code, and unless the LOT has a FRONT LOT LINE, in accordance with the standards of the ZONING DISTRICT in which it is located, on an existing PUBLIC STREET or has a FRONT LOT LINE on a STREET which meets or which will meet the requirements for PUBLIC IMPROVEMENTS under §114.27. of this Code. **[Amended 1-3-94 by Ord.
