

Aquatics Amenities

The Community & Recreation Center is the first to offer the South Hills amenities that you may only find in regional water parks and other highly themed resorts on the East Coast.

Indoor Lap Pool

The indoor lap pool is a 4 lane, 25 yard pool. It ranges from 3.5 feet in the shallow end to 8 feet in the deep end. Water temperature will be kept between 82 and 84 degrees F.

Resistance Channel

The resistance channel is a 3.5 foot deep, side-winding "river" of moving water. Patrons using the resistance channel will be able to swim, walk, or run against the current, as an alternative, bathers will also be able to glide along with the current for a more relaxing, and gentle exercise experience. Water temperature will be kept between 84 and 88 degrees F.

Recreational/Leisure Pool

The recreational/leisure pool is a large, open pool area that contains a vast amount of pool space as well as multiple structures and interactive play features. It is equipped with a zero-depth entry which allows easy access for almost all individuals. Special features of the recreation/leisure pool area include a two-story body slide, water geysers, underwater benches, and a large interactive play structure with dumping bells, small slide, and water cannons. Water temperature will be kept between 84 and 88 degrees F.

Outdoor Pool Area

The outdoor pool area has a variety of family friendly features available in and around the pool. Surrounding the pool is a spacious grassy area for lounging and play, two large pavilions with picnic tables, a large sandbox, and oversized beach umbrellas. In the pool, patrons will find a two-story body slide, lily pad walk with overhead cargo net, water geysers and cannons, discovery fountains, an interactive play structure with small slide, underwater benches, and leisure pool. Water temperatures will be kept between 78 and 80 degrees F.
