

Private Swim Lesson Information & Agreement Form

Fees

Private swim lessons are sold in packages of 3, 6, 10, or 20 lessons. These packages are sold at a member & non-member rate. Two individuals in the same household may share a package of 6 or more lessons. However, these are still private lessons; semi-private lessons are NOT available.

Payment

All private lessons are to be paid in full PRIOR to the start of a package. Payments are to be made at the control desk once a start day & time are scheduled with an instructor. Please show your instructor a receipt prior to entering the water. If you do not have proof of purchase the instructor will NOT teach.

Lessons

All lessons are scheduled in 30 minute increments. This time begins at the scheduled start time, not when the client arrives. Lesson time may fluctuate based on the swimmer's physical abilities, attention span, and willingness to learn during the lesson.

Participants have the option of scheduling two 30 minute sessions back to back to create one 60 minute session. Participants choosing this option will be charged two lessons. Please note that this only an option if it is pre-approved by the instructor and the pool schedule allows it.

****Non-members visiting the facility** for private lessons should check in at the control desk no more than 15 minutes prior to the start of each lesson. Children who are enrolled in private lessons may only use the pool during their schedule lesson time (unless purchasing a daily admission pass). A maximum of two individuals may accompany the private swim lesson participant(s) to the pool area, and observe from the deck. All other individuals may wait in the lobby.

Instructors

All private swim lesson instructors are CPR, First Aid, and AED certified. Each instructor is also required to be a certified lifeguard and/or Water Safety Instructor (WSI) through the American Red Cross. Participants will be assigned an instructor based on the swimmer's skill level and availability listed on his/her registration form. Under certain circumstances (i.e. illness, vacation, termination, etc.) a substitute instructor may be assigned. Specific instructor requests can be made directly on the Private Swim Lesson Registration Form.

Cancellation Policies

If for any reason you need to cancel a lesson, 24 hours notice is required. All lessons cancelled less than 24 hours prior to the scheduled day/time will be charged against the current package of lessons purchased. One emergency cancellation (less than 24 hour notice) per household will be forgiven without charge. If the swimmer is more than 10 minutes late to his or her scheduled lesson, the lesson will be cancelled, and the client will be charged. Rescheduling options should be addressed directly with your instructor.

Lesson Renewal

Additional swim lesson packages can be purchased once the original package is complete. Participants should confirm a start date & time with their current instructor, make payment at the control desk, and must present a receipt to their instructor prior to the first lesson.
