

## Kid's Floor Renovation

There's an exciting new look on the kid's floor of the library. The final piece of a multi-year plan to update the kid's floor was completed this fall.

In addition to a new circulation desk with an easy-to-use book return and lots of work space, this area now offers kid-friendly flooring that's safer than the slippery tile and worn carpet it replaced.

## September Fundraising

LOVE **YOUR** LIBRARY 

Thanks to the generosity of the Jack Buncher Foundation, all participating Allegheny County libraries received a pro-rated portion of a \$125,000 match pool to support their general operations. A grand total of over \$530,000 was raised across Allegheny County.

All donations received during September 2016, up to a maximum of \$500 per donor per library, counted toward the match pool.

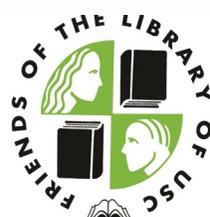

Over \$3,000 was donated to the USC Library!

Many thanks go out to so many in our community who participated in this campaign, and a special thanks to the Jack Buncher Foundation for providing such a generous match pool.

## All About Books!

### Books — great presents any time.

The Friends resell gently used books in the library on an ongoing basis. Check out the displays on both floors of the library.

The Friends have also started an online bookstore with Amazon, so look for them when you are online shopping for used books!

### Books — need space for more?

Bring your read books to the library during open hours. The Friends also collect used books the first Saturday of every month from 10 a.m. to noon.

Your books will find a good home — and you'll have room for new ones!

## Recycle Here!

Every old printer ink cartridge, old cell phone, and old rechargeable battery you put in the collection boxes in the library lobby brings us NEW cash!
