EXAM PREP WORKSHOP

Huntington's Exam Prep Workshop is offered to college-bound high school students and their parents. The 30-minute workshop focuses on factors that influence college admissions most — including how the SAT, ACT or PSAT/NMSQT are scored and used. We will discuss tips on preparing for these important exams and strategies for improving test scores.

Tuesday, October 6 - 6:00 p.m.

TOOLS FOR ACHIEVEMENT: STUDY SKILLS FOR HIGH SCHOOL AND BEYOND

A 60-minute workshop for parents and students in high school or college who are facing challenging course work while managing daily responsibilities. If your child does not possess the necessary high-level study skills, he or she will not be able to manage these demands. In this presentation, we will talk about how your child can develop the study skills needed to achieve success in school and reach his or her full academic potential.

Tuesday, October 20 - 6:00 p.m.
