[Hey Terra..by Annie Fox](#)

Teens have been emailing Terra since 1997 because she gives good advice. If you've got a problem with friends, so-called friends, a bf/gf, a parent, or anything else... email her. I can help you sort out your feelings. No matter what's going on, you always have choices. Let Terra help you figure out your next best move.

[Bam! Guide to Getting Along](#)

What should you do when someone takes your seat or shoves you in line; or someone asks you to do something you don't want to do? This guide can help.

[Consumer Education](#)

Find out about credit cards, car loans, living on your own and more. Consumer Jungle is sponsored by the Young Adult Consumer Education Trust (YACET), a non-profit organization dedicated to providing young adults with the life skills they need to become responsible, informed consumers.

[NSTeens](#)

Offers practical advice on how be smart and safe online.

[Pennsylvania Drivers Manual](#)

Read and reference the PA Drivers Manual. This website provides the full text and practice tests. A downloadable app is also available through Apple, Google and wherever you purchase apps.

[S.A.V.E.: Students Against Violence Everywhere](#)

Find out how to start a S.A.V.E. chapter at your school and promote nonviolent solutions to conflicts.

[TeenCentral](#)

TeenCentral is a website powered by KidsPeace as a free and safe prevention and intervention resource specifically for youth. On TeenCentral, you can find information on a variety of topics. You can also submit a story or post about any crisis, problem or situation you're struggling with and receive a therapeutic support response within 24 hours, safely, anonymously, and free of charge.

[TeenMentalHealth.org](#)

Research-backed advice for teens with mental health issues. Learn about the brain and mental health, behavioral issues, and sleep problems. Tougher issues are also discussed.

[TeensHealth](#)

Wide range of information on physical and mental health - in nice easy to understand articles.
