

Student Volunteers

All students who are going into 6th through 12th grades that want to volunteer at the library must register for Teen Read to earn entry onto our volunteer roster.

Summer program volunteer opportunities are limited to students who are going into 7th grade and higher.

Students who are going into 6th grade and higher and who complete Teen Read program will secure a spot on the volunteer roster for volunteer opportunities beginning in August through the completion of the school year.

All Teen Read participants who read at least 5 books and turn in book questionnaires for those books by the end of the summer Teen Read program will be placed on our volunteer roster for the school year.

Teen volunteers who do not read at least 5 books and turn in book questionnaires will not be eligible for volunteer hours and will forfeit any completed hours.

Going abroad or away to camp this summer? ***You can still sign up!***
You must MEET with Miss Colleen at the Library to discuss
your options.
