

## Staff Favorites: Sandy Recommends

The next time you're in the mood to "procrastibake" (baking instead of doing a more pressing project), borrow ***Dorie's Cookies*** by Dorie Greenspan. This book is filled with some of the most delicious recipes I've eaten! Each entry features

Dorie's unmistakable writing style, which combines simple and complete instructions prefaced with her memories and thoughts about everything from cookie size to "good cocoa."

In addition to sweet cookies, Dorie includes savory selections. My favorite (so far) is Parmesan Galettes, which are perfect with homemade chili.

If cookies aren't your thing, peruse our extensive cookbook section. If you're looking for a title we don't own, we'd be happy to put it on hold for you.

## Summer Reading 2019: June 17-July 31

Blast off this summer on the Kids Floor! The Kids Library will offer four summer learning and reading programs: Little Kids Learn, Kids Learn, Book & Activity Bingo, and Teen Read. The library will also offer a variety of classes, programs, and events for kids and teens. A full brochure will be available mid-May

online and in the library. **Thank you to the Friends of the Library of Upper St. Clair and area residents and businesses for their generous funding that makes summer programs happen.**

**CR** Consumer Reports

Available Online With Your Library Card

The Library is pleased to offer full access to Consumer Reports Online to aid patrons in their research of thousands of products and services. Allegheny County Library cardholders now have full access, at home and in the library, to the Consumer Reports website which is very user-friendly and easy to search. Your library card unlocks website features like the ever-popular **product ratings** pages so you can see the test results of how that exterior paint or baby bouncer stacks up to the competition. Get started from our website at ***e-Info: The 24/7 Library***.

## Reimagining Books—A Monthly Workshop

Combine your love of books and crafts at our monthly **Reimagining Books** workshop. You will learn how to repurpose damaged or unusable books into something imaginative and beautiful. No prior preparation is needed. A \$2

donation is suggested to help cover the cost of supplies. Register online or call the library.
