

Staff Favorites: Lisa Recommends . . .

I loved the book, “**Saving Sophie**,” by Ronald Balson! The story line is thrilling as it describes the race to free Sophie and stop a terrorist attack. I learned a lot about the conflict between Israel and Palestine in this well researched novel. Attorney

Catherine Lockhart and Investigator Liam Taggart, from Balson’s novel, “**Once We Were Brothers**,” return to investigate missing money, missing persons and to save lives. It’s an exciting read by one of my new favorite authors!

Favorite line: “Racism will never win out. It’s flawed in every sense because love is much stronger than hate.”
