

Everybody needs a friend. Be ours.

In 2017, contributions to the Friends of the Library of Upper St. Clair directly supported the purchase of shelving for the new adult non-fiction area; children's programs, including a puppeteer and ventriloquist; adult speaker and music programs; the purchase of prizes for the adult and children's summer reading challenges; and much more.

Your donation and purchases at the Book Sale Corner make it possible for the Friends to sustain the library's improvements and programs.

With a donation of \$25 or more,* you'll receive a punch card valid for five free books from the Book Sale Corner (up to a \$10 value) as our gift to you. There are several ways to contribute:

- Drop off the attached form with your cash or check at the library's Adult Circulation Desk
- Mail your check with the attached form to the library
- Visit our website, <http://www.twpusc.org/library/friends>, to donate online
