

Library eBooks for Nook from **OverDrive**

First Time Set Up: Download Adobe Digital Editions

- On your **home computer**, go to the **Digital Catalog** by entering acla.lib.overdrive.com into the address bar of your web browser.
- Scroll down to the very bottom of the page and click on 'Software' on the left side. Click on 'Adobe Digital Editions.'
- Click 'Download Now' and then click on 'Macintosh' or 'Windows' (the type of computer you have) and then press 'Run' and continue through the prompts to install the free required software on your computer.

First Time Set Up: Create an Adobe Digital Account

- On a computer, go to www.adobe.com.
- Press on 'Sign In' then press 'Don't have an Adobe Account?'
- Enter your information in all of the boxes.

Pick a Library Book and Check Out

- Go back to the Digital Catalog (acla.lib.overdrive.com) and browse or search for eBooks. Click on the book you want to check out and then click 'Borrow.'
- You will be prompted to enter your library card number.
- Click 'Download' and select 'EPUB' or 'PDF.' Then click 'Confirm & Download' and then click 'Open' to get the eBook onto your computer. It will go into the Adobe Digital Editions where you can read it on your computer.

Transfer Your Library Book to Your Nook

- To move your library book to your Nook, plug your Nook into your computer.
- Open Adobe Editions by clicking on the icon on the computer's desktop.
- You will be prompted to enter your Adobe account information.
- Click 'All Items' on the left side of the screen. Right click on the book you want to add and click 'Copy to Computer/Device' then click 'NOOK'
- Properly unplug/eject the Nook and enjoy reading your library eBook.
