NEIGHBORHOOD PARKS

The Safety Surface Turf at the Municipal Playground has been replaced and the playground is reopened to the public.

Municipal Tennis Courts 1 and 2 and the Morrow Road parking lot have been repaved. The Tennis and Golf Administration Building is expected to be finished by the end of November. Two (2) of the tennis bubbles are up and running. Public Works is still waiting for a part for the third (3rd) tennis bubble that was damaged from the flood in June.

The tennis court paving at Johnston Park will be completed at the beginning of Spring 2019.

The water is fixed and operational at the Paddle Tennis Courts.

Brynwick Tennis Courts and the hockey area are being resurfaced.

The roof over the pavilion at Morton will be replaced in the Spring 2019.

The Perimeter Trail section from the Wetlands Trail to the intersection of Morton Road and Rostrom Drive is 95% complete. The next phase is under engineering design.

NEW BUSINESS

Brick pillars will be installed at the The Playground Pavilion at Boyce Mayview Park, as well as electrical outlets by next spring.

The board members discussed the McLaughlin Run Activity Center (MAC) renovations. The MAC is closed from September – December and renovations include, but not limited to, bigger front windows, new floor, fresh paint, ADA bathroom and convert sunporch to covered deck. The bridge to batting cages has been repaired and is open for use.

Restrooms at the Boyce Mayview Pavilion are still being worked on and are expected to be finished by Spring 2019.

The Gilfillan Trail surface experiment is being pushed back to the Spring 2019 due to flood in June.

The board members discussed the Community & Recreation Center Assessment by Ballard King and Associates.

ADJOURNMENT

The meeting was adjourned at approximately 8:20pm.
