DOG TRAINING

This course has been designed to help you through the puppy and adult stages of your dog's life. Basic care, housebreaking techniques, dog behavior, and obedience training will be covered. Gentle methods and positive reinforcement will be used to create a trusting and happy pet. The instructors will teach you methods of living in harmony with your pet in the community. Maximum 15 per class.

NO AGGRESSIVE DOGS ARE PERMITTED TO PARTICIPATE.

***FIRST CLASS IS AT THE RECREATION CENTER.*
ONLY HANDLERS (16 YEARS AND UP) ARE TO COME TO THE FIRST CLASS (NO DOGS).**

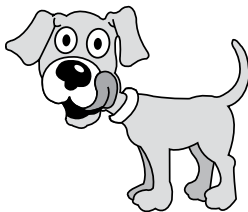

**ALL PUPPIES AND DOGS MUST HAVE CURRENT
RABIES INOCULATION AND OTHER NECESSARY SHOTS.
TRAINING FOR DOGS 3 MONTHS AND OVER.**

This course is taught by Storm Foreman, a USC resident, who has been with the USC dog obedience program for 10 years. She is assisted by Nancy Kardos, also a resident of USC.

Storm owns three German Shepherds. SERE, the oldest at age 9, has her Canine Good Citizen (CGC) title, along with two AKC sanctioned titles: The Companion Dog (CD) and the Companion Dog Excellent (CDX). SAXON, "the middle dog," age 5, earned his CGC at 7 months, and received his CD title before turning two. He earned his CDX title before turning three and earned his Utility title after turning 5. BLITZ, a little over a year old, is the newest and youngest member of the family and has earned his Canine Good Citizen Certificate. Nancy has a well-behaved Yellow Lab, named RUSTY.

This course is an excellent starting point for anyone who wants to train his/her dog - whether as a mannerly house pet or a competitive animal for the show circuit. You and your dog will receive one-on-one help from both Storm and Nancy, as well as guidance over the phone if needed.

BOCCE AT BAKER

Bocce continues to grow in Upper St. Clair. The Township has two lighted regulation bocce courts in Baker Park. If you are interested in forming/coordinating/joining a BOCCE LEAGUE, please contact Roy Johnson at 412.835.7330.

THREE HOLE GOLF COURSE

The Three Golf Holes on McLaughlin Run Road will be open into the fall and again in the early spring, weather and conditions permitting. Golf course supervision will take place from the Tennis/Golf Administration Building. All golfers must check in with the supervisor on duty prior to playing. Golfers, under the age of 10, must play with an adult.

The golf course is open only when a supervisor is on duty. Players are expected to replace divots and ball marks and to leave the vicinity of the green after putting out. Golfers are expected to play only one ball. Golfers may pay a per-round fee or purchase an all-day pass at the Tennis/Golf Administration Building. The all-day pass enables golfers to play as many times as they wish on the day the pass is purchased. A golf coupon punch card is available for purchase (check or money order only) at the Recreation Office and at the Tennis/Golf Administration Building. This card is good for 10 three-hole rounds and can be used any day.
