CROCHET: BEGINNING

Stylish ponchos and blankets, and warm woolen mittens are a few of the favorite crocheted things that can be made easily after learning the basic stitches of crocheting. This class will teach all basic crochet concepts such as reading a pattern, selecting yarn, and of course mastering the stitches needed to complete a project. Impress your friends and family with a custom crocheted special gift. Create an heirloom for a new bride or new baby. Register with a friend for a 'girl's night out' or make a 'mother /daughter date' just to catch up with one another. This class will be fun for everyone!
