FOR IMMEDIATE RELEASE – SEPTEMBER 3, 1998

The Township of Upper St. Clair has undertaken its first steps with regard to the implementation of various whitetail deer management initiatives. Upper St. Clair is contracting with Whitetail Management Associates, Pittsburgh, PA to conduct a controlled archery hunt at the Boyce/Mayview Park property. This action is consistent with the recommendations of a citizen ad hoc committee appointed by the Township Board of Commissioners to review and recommend deer management options.

Pre-qualified archers that have been selected to participate must abide by all PA State Game Commission rules and regulations, as well as, a stringent code of conduct established by Whitetail Management associates and approved by the Township.

Boyce/Mayview Park will remain open to the public during the hunt, which coincides with Pennsylvania's official 1998-1999 deer season (below) established by the Game Commission:

October 3 – November 14, 1998
November 30 – December 16, 1998
December 26, 1998 – January 9, 1999

Park access points will be posted to alert park patrons that an archery hunt may be in progress.

Those archers who wish to be considered for participation next season, must contact either the Township of Upper St. Clair or Whitetail Management Associates.
