

Upper St. Clair Township Library Mobile Printing Options

Email

Use the share/send function on your mobile device to send the file via email or simply forward an email with attachment(s) to either:

bw-USC@eprintitsaas.com (for black and white prints)

color-USC@eprintitsaas.com (for color prints)

Then come to the library's Adult Circulation Desk to pick up the job within 24 hours.

Web Link

Go to <https://USC.eprintitsaas.com/public/upload>

Click on Select Files to find your document.

Choose your Print Job Settings (number of copies, color or grayscale {black and white}).

Enter your First and Last Name as well as email or phone number for confirmation email or text.

Click SUBMIT.

Then come to the library's Adult Circulation Desk to pick up the job within 24 hours.

Mobile App

Download the free ePrintitSaaS app to your device and open it:

[Get App for Apple Device](#)

[Get App for Android Device](#).

Select from the menu What would you like to print?

Choose Upper St. Clair Township Library as your location to send your print job.

Click the down arrow to edit the Print Job Settings. Choose your Print Job Settings (number of copies, color or grayscale {black and white}).

Enter your First and Last Name.

Press Submit.

Then come to the library's Adult Circulation Desk to pick up the job within 24 hours.
