1,000 Books Before Kindergarten - A Literacy Program for Pre-readers

Upper St. Clair Township Library is pleased to offer an easy, fun and free program that puts children on the path to success. And yes, you can read 1,000 books. If you read just three books a day, you'll reach your goal within one year. But even if you read just one book per day, you'll reach the goal of 1,000 books in three years.

Read & Reach the Goal!

Any time your child reads a book - or you read to them - log the title of the book on the reverse reading log. We encourage reading the same books several times - and each reading of the book counts! For example, if you read "Brown Bear, Brown Bear, What Do You Hear?" four times, log that as four books.

When you and your children reach milestones in the program, come into the library to receive rewards and progress pins. Your rewards can be picked up at Upper St. Clair Township Library Kids & Teens Check-Out Desk during our library hours.

- First 50 books - A 1000 Books Before Kindergarten tote bag.
- Every 100 books - A pin to put on to your tote bag to show your progress in the program, with a goal to earn 10 pins.
- 1,000 books - The final pin and a certificate of completion.
