

Upper St. Clair Township Library

50 Books Before Graduation

A Literacy Program for High School Readers

Upper St. Clair Township Library is pleased to offer an easy, fun and free program that puts high school readers on the path to success.

READ & REACH THE GOAL!

Read a book - or listen to a book - and log the title of the book on the reverse reading log. Even books read for school assignments, in story times, and audio books count!

When participants reach milestones in the program, come into the library to receive rewards and progress pins. Your rewards can be picked up at Upper St. Clair Township Library Kids & Teens Check-Out Desk during our library hours.

- Every 10 Books Read - Visit the Kids & Teens Library Desk to pick out a special prize.
- 50 Books - Receive a Certificate of Completion

All participants will also have an honor book dedicated to them placed in the library's collection to commemorate their achievement.

BOOKS 0-10 READING LOG

Fill up the sheet! Once complete, visit the Kids & Teens Library Desk to pick a prize and receive your next reading log.
