TRASH & RECYCLING INFORMATION

AUTOMATED REFUSE COLLECTION

Starting Jan. 1, 2024, Upper St. Clair will begin a new refuse and recycling contract with Waste Management (WM).

- Normal refuse collection will be fully automated and trash outside of the cart is no longer being collected.
- Only one Township-issued trash cart is included in the regular service.
- Waste Management will, however, collect one additional Waste Management stamped trash cart* that was purchased before Jan. 1, 2024, for no extra fee. Additional trash carts purchased after Jan. 1, 2024, will be subject to the annually adjusted fee (\$110 for 2024).
- To purchase an extra trash cart from WM, call 1.800.866.4460. At the prompt, say **SERVICE CHANGE**. You will then be directed to an agent to place your order.
- If your household expects to use more than two trash carts, each cart after the second one will be subject to the annually adjusted fee paid directly to WM (whether it was purchased before or after Jan. 1, 2024).

*** Your additional trash cart must be registered with the Township by calling 412.831.9000 ext. 2710 or emailing eperthener@twpusc.org. Please include the type of extra cart your household is registering, name, address and phone number.**

- Trash is collected once a week per the street listings on pages 6 and 7. Residential trash, recycling, and yard waste/leaf material is to be placed at the curb by 6:00 a.m. on your scheduled collection day. Trash and recycling may be placed out the night before after 6:00 p.m. (5:00 p.m. winter months). Remove empty containers no later than 12:00 midnight on the day of collection.
- Up to two bulk items will be collected once per month on USC's designated week for bulk item collection, which is the second full week of each month. Bulk items include, but are not limited to, mattresses, chairs, bicycles and other items too large to fit into your regular cart. See the calendar on page 5 for exact dates.
- Empty or dried cans of paint—with the lids removed—must be placed into your trash cart.
- For grass clipping and yard waste information, refer to page 4 for Saturday leaf and yard waste curbside collections and residential drop-off events.
- A special collection may be scheduled with Waste Management at 1.800.866.4460 for excessive amounts of trash. Fees apply.
- The contractor is not responsible for the cleanup of trash, recycling, or yard waste/leaf material disturbed or scattered by weather, animals or other causes.
- Report legitimate trash misses to the Public Works Department at 412.831.9000 x 2710.
- It may be necessary to delay or cancel trash/recycling collection during inclement weather. Refer to Township social media pages, Cable 7 or the Township website (www.twpusc.org) for details.

THERE IS NO CURBSIDE COLLECTION FOR THE FOLLOWING ITEMS:

- Building/construction materials
- Household hazardous waste – refer to page 4 for collection dates or Allegheny County website
- Automobile parts/tires
- Ashes, dirt, rocks, stones, edging, tree stumps
- Electronic items – refer to e-cycling collection dates on page 4

THE ALTERNATIVE TO DUMPSTER RENTALS!

The Bagster® bag is Waste Management's easiest cleanup solution for remodeling projects, moving preparation, landscaping and home/garage cleanup.

The bags are simple to set up and strong enough to hold up to 3,300 lbs. of debris or waste. It's the right size for renovations or home projects that don't require a full-size dumpster.

Bagster® bags can be purchased at Home Depot, Lowes, and various hardware stores.

For details and pricing information, contact Waste Management at 1.877.789.2247 or online at thebagster.com.
