Q3: In your opinion, what are the top three improvements that would improve the experience at Morton Field Complex. Please rank your top three improvements below.

What are the top three improvements that would enhance the experience at Morton Field Complex?

1. Develop walking and biking trails that connect parks, and neighborhoods
2. Provide more shade in the complex
3. Develop additional passive recreation opportunities (trails, meadows, arboretum, shelters)
4. Converting grass fields to synthetic turf

ADD MORE TRAILS: Walking and Biking Connections to Parks and Neighborhoods

SHADE: Trees and Covered Viewing Areas

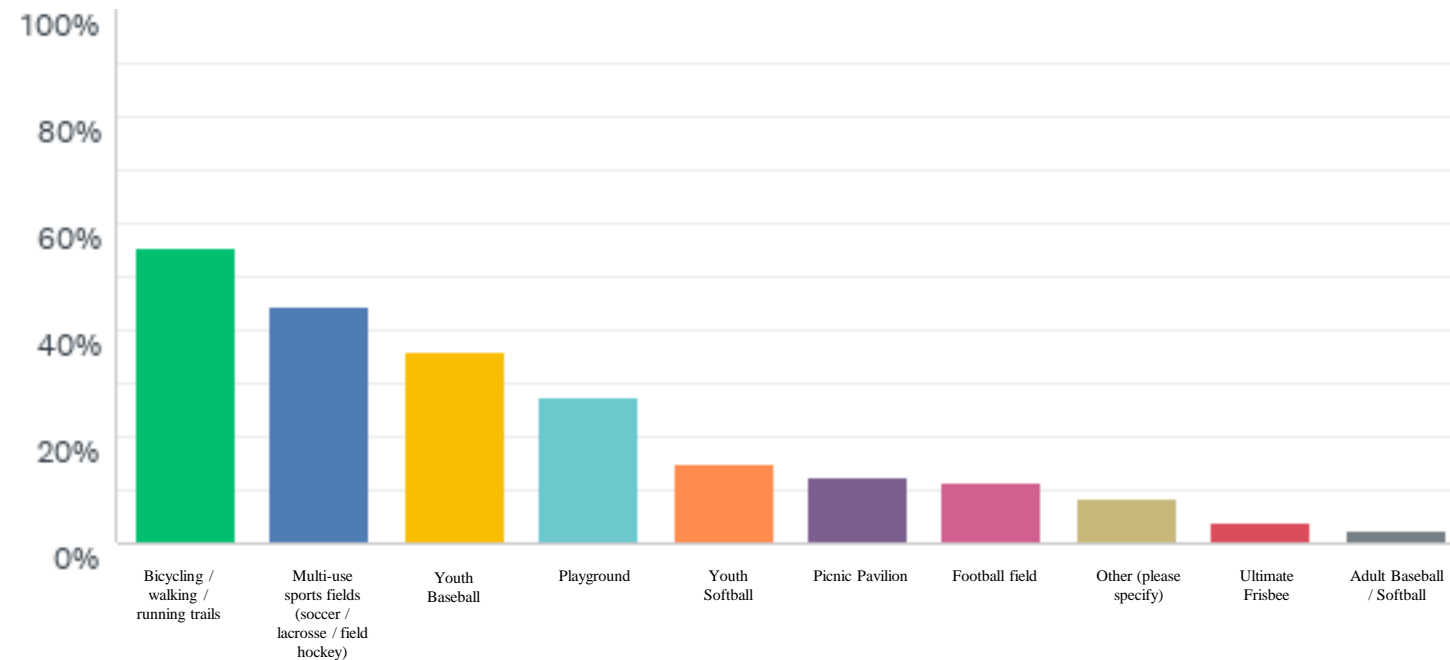

CONVERT EXISTING GRASS FIELDS: to Synthetic Turf
